The awakening by James Morrison

| I haven't felt this awake in years | The (5) place I want to be |
|---|---|
| Was too busy drying my tears | Is right here with you next to me |
| To feel the sun was shining on my skin | And I have been waiting for this awakening |
| Locked up in my own cage | for so long, so long |
| Filled up with a bitter rage | I gotta get a (6) light inside |
| I (1) see the prison I was in | And (7) (8) holding out for just one |
| I walked across the line alone | thing |
| To find a truth I'd never ever known | And it's your love, your love |
| The truth was there all this time | Makes everything feel alright |
| The only one who couldn't see was me | I was slowly slowly dying, (9) dying |
| And I have (2) waiting for this awakening | It's like the first day I'm alive |
| for so long, so long | I've been awakening for so long, so long |
| I gotta get a little light inside | I've been awakening for so long, so long |
| And I'm here holding out for just one thing | And I walked (10) the line alone |
| And it's your love, your love | To find a truth I'd never ever known |
| It makes everything feel alright | The truth was there all this time |
| I was slowly slowly dying, slowly dying | The only one who couldn't see was me |
| It's like the first day I'm alive | And I have been waiting for this awakening |
| Float through me like summer breeze | for so long, so long |
| Put my twisted mind at ease | I gotta get a little light inside |
| And all the troubles of the world | And I'm here holding out for just one thing |
| just drift away | And it's your love, your love |
| Jump out like a shooting star | Makes everything feel alright |
| I make a wish to be where you are | |
| And (3) (4) glow is | |
