

And underneath your glow is where I'll stay

Fill in the gaps

The awakening by James Morrison

I (1) felt this awake in years	The only place I (16) to be
Was too busy (2) my tears	Is right here (17) you next to me
To (3) the sun was (4) on my	And I have (18) waiting for this awakening
skin	for so long, so long
Locked up in my own cage	I (19) get a little light inside
Filled up with a bitter rage	And I'm here holding out for just one thing
I couldn't see the prison I was in	And it's your love, your love
I walked across the line alone	Makes everything feel alright
To find a truth I'd (5) ever known	I was (20) slowly dying, slowly dying
The truth was there all this time	It's like the first day I'm alive
The only one who couldn't see was me	I've (21) awakening for so long, so long
And I have been waiting for this awakening	I've been awakening for so long, so long
for so long, so long	And I walked (22) the line alone
I gotta get a (6) light inside	To (23) a truth I'd never ever known
And I'm here holding out for just one thing	The truth was there all this time
And (7) (8) love, your love	The (24) one who (25)
It (9) everything feel alright	see was me
I was slowly slowly dying, (10) dying	And I (26) been waiting for (27)
It's like the first day I'm alive	awakening
(11) through me (12)	for so long, so long
(13) breeze	I gotta get a little light inside
Put my twisted mind at ease	And I'm here holding out for (28) one thing
And all the (14) of the world	And it's (29) love, your love
just (15) away	Makes everything feel alright
Jump out like a shooting star	
I make a wish to be where you are
