

## Fill in the gaps

When you first left me I was wanting more	But with a little help from my friends
But you were fucking (1) girl next door,	I found a light in the (5) at the end
What did you do that for? (What did you do that for?)	Now you're calling me up on the phone
When you (2) left me I didn't know what to say	So you can have a little whine and a moan
I've never been on my own that way, just sat by myself all day	And it's only because you're feeling alone
I was so lost back then	At first when I see you cry,
But (3) a little help from my friends	Yeah it makes me smile, yeah it makes me smile
I found a light in the tunnel at the end	At worst I feel bad for a while,
Now you're calling me up on the phone	But then I just smile I go ahead and smile
So you can have a little whine and a moan	Lalala
And it's only because you're feeling alone	At (6) I see you cry, (When I see
At first when I see you cry,	you cry)
Yeah it makes me smile, yeah it makes me smile	Yeah, it makes me smile(it makes me smile),
At worst I feel bad for a while,	Yeah, it makes me smile(Yeah it makes me smile)
But then I just smile I go ahead and smile	At worst I feel bad for a while, (I feel bad for a while)
Whenever you see me you say that	But then I just smile (then I just smile)
You want me back(Want be back)	I go ahead and smile(I go ahead and smile)
And I tell you it don't mean jack,(It don't mean jack)	Lalala
No it don't mean jack(No it don't (4) jack)	At first when I see you cry, (When I see you cry)
I couldn't stop laughing,	Yeah, it makes me smile(it makes me smile),
No I just couldn't help myself	Yeah, it makes me smile(Yeah it makes me smile)
See you messed up my mental health	At (8) I feel bad for a while, (I (9) bad
I was quite unwell	for a while)
I was so lost back then	But (10) I just smile (then I just smile)
	I go ahead and smile(I go ahead and smile)
