

## Fill in the gaps

When you first (1) me I was wanting more	But with a little help from my friends
But you were fucking that (2) next door,	I found a light in the (7) at the end
What did you do that for? (What did you do that for?)	Now you're calling me up on the phone
When you first left me I didn't know what to say	So you can have a little whine and a moan
I've never been on my own that way, just sat by myself all day	And it's only because you're feeling alone
I was so lost back then	At first when I see you cry,
But with a little help from my friends	Yeah it makes me smile, yeah it makes me smile
I found a light in the tunnel at the end	At worst I feel bad for a while,
Now you're calling me up on the phone	But then I just smile I go ahead and smile
So you can have a little (3) and a moan	Lalala
And it's only because you're feeling alone	At first when I see you cry, (When I see you cry)
At (4) when I see you cry,	Yeah, it makes me smile(it makes me smile),
Yeah it makes me smile, yeah it makes me smile	Yeah, it makes me smile(Yeah it makes me smile)
At worst I feel bad for a while,	At worst I feel bad for a while, (I feel bad for a while)
But then I just smile I go ahead and smile	But then I just smile (then I just smile)
Whenever you see me you say that	I go ahead and smile(I go (8) and smile)
You want me back(Want be back)	Lalala
And I tell you it don't mean jack,(It don't (5) jack)	At first (9) I see you cry, (When I see you cry)
No it don't mean jack(No it don't mean jack)	Yeah, it makes me smile(it makes me smile),
I couldn't stop laughing,	Yeah, it makes me smile(Yeah it makes me smile)
No I just couldn't (6) myself	At worst I feel bad for a while, (I feel bad for a while)
See you messed up my mental health	But then I just smile (then I (10) smile)
I was quite unwell	I go ahead and smile(I go ahead and smile)
I was so lost back then
