Fill in the gaps

Slave to the music by James Morrison

She pulled me in so easily	I'm a slave to the music
Right from the start	No I won't give in till I stop breathing
She played me like I was a melody	She got me rocking
One bang on the drum and she funks me with a sweet kiss	She got me moving
She's touching me with lovers caress	She got me dancing
No I can't fight it	She got me rocking
She's got my soul	She got me moving
She's captured me	She got me dancing
Holds me (1) when I hear (2)	I don't wanna be saved
beat	I'm a slave to the music
I won't take these shackles off my feet	I don't wanna be saved, no no
(3) they're the only (4) that	I'm a slave to the music
make me feel free	If you feel for me put your hands out now
That's why	If you feel for me put your hands out now
I'm a slave to the music	Put you yours hands out
No I won't stop (5) my heart pops out	If you feel like a zombie, shout it out now
I'm a slave to the music	If you feel like a zombie, shout it out now
No I won't give in till I stop breathing	She got, she got
She got me rocking	She got me rocking
She got me moving	She got me moving
She got me dancing	She got me dancing
She got me rocking	She got me rocking
She got me moving	She got me moving
She got me dancing	She got me dancing
I don't wanna be saved	She got me rocking
Slave to the music	She got me moving
I don't wanna be saved	She got me dancing
I'm a slave to the music, yes, yes	She got me rocking
Before of had been I'm barely alive	She got me moving
But keep on giving	She got me dancing
It's the only way to survive	I don't wanna be saved
But I can't help but shuffle my feet	I'm a, I'm a (9) to the music
Moving like a zombie, chasing the beat	I'm a slave to the music, yes
She lures me in oh sweet surrender	I'm a, I'm a (10) to the music
Locks me down like a (6) offender	I'm a slave to the music, yes
I won't take these shackles off my feet	No, no, don't want to be saved now
Because they're the only thing (7) make me feel	
free	
That's why	
I'm a slave to the music	
No I won't stop till my (8) pops out
