

## Fill in the gaps

## Tattoos on this town by Jason Aldean

There's still black marks on that county (1)	It's everything we're (14) of
Where we (2) raced our pick ups	It sure (15) it's mark on us,
And mustangs	We (16) left our mark on it
And weathered on the summer rain	We let the world know we were here
And to this day up on (3) overpass	With (17) we did
(4) underneath the new paint, you can	We (18) a lot of (19) down
5) see:	(20) tattoo's on (21) town
"Allie will you marry me?"	Like tattoo's on this town
Take a ride, look around	Everywhere, there we are
There ain't no doubt	It hits me right, in my heart
It (6) left it's mark on us,	It sure (22) it's mark on us,
We sure left our mark on it	we sure left our (23) on it
We let the world know we (7) here	We let the (24) know we were here
With everything we did	(25) everything we did
We laid a lot of (8) down	We laid a lot of memories down,
(9) tattoo's on this town	But we'll always be hanging around
There's still a (10) burn on the old branch,	(26) tattoo's on this town
that (11) over the river, I still got the scare	Like tattoo's on this town
From swinging out a little too far	
There ain't a corner of this (12) ground,	
(13) we ain't laughed or cried on,	
it's where we loved, lived and learned a lot of stuff
