

A little like (1) Wilder now
(2) out of the tower now
In a glass elevator that
could (3) you all the way to the sky
Ain't trying to (4) you now
I got nothing to lose and no how
So be in it with the limitless
image of the intimate
figure what you're giving is love
All you need is love
Ain't it nice to get out of here?
Already out of the atmosphere
Well if the glass ever shattered
well it wouldn't really matter
it's our love that is lifting us up
All you need is love
We're going up, up, up
We're (5) away
We're taking the (6) route
We're taking the ceiling out
We're going up, we're flying away
(7) coming down
because we're living it up
we're (8) it up, yeah
What (9) when your light goes out
No one's there to give you mouth to mouth
Don't let the break down trouble you
and (10) (11) a
(12) need's a hero now
Because I know, you know
because once you know you'll always know
It's your own, your own (13)
that gets you where you wanna go
We're (14) up, we're flying away
