Fill in the gaps

em>Hi, I'm Tune, the man on the moon	I'm (2) you, yeah

So we can leave that old sh*t in the restroom	Ok, now I'm into you, (3) you never know
Young money	I'm falling for you baby, I need a parachute
	So wet, I need a wetsuit
You got me and I could not defend it	Your way to fly, I could be your jet fuel
(1) but I had to surrender	Now tell me what you like
Your style got me under the spell	I like what you tell me
_et me no other choice but to get down	And if you understand me
t's too late, it's too late	You can overwhelm me
t's too late, it's too late	It's too late, it's too late
You got it, you got it	Every finish (4) is the beginning of a new
You got it, you got it	race
When I look into your eyes, it's over	Move your body
You got me hooked with your love controller	Move your body
'm tripping and I could not get over	Dance for your body
feel lucky like a four leaf clover	Rock your body
'm into you, I'm into you	(5) your body
'm into you, yeah	Dance for your body
'm into you, I'm into you	When I look into your eyes, it's over
'm into you, yeah	You got me hooked (6) your love controller
Listen, now I'm strong baby I bring the fire on	(7) (8) and I
Sharpshooter you can call me the Zion	(9) not get over
'm not the one easy to get to	I feel lucky like a four leaf clover
But all that changed, baby when I met you	I'm into you, I'm into you
t's too late, it's too late	I'm into you, yeah
t's too late, it's too late	I'm into you, I'm into you
You got it, you got it	I'm into you, yeah
You got it, you got it	I'm into you, I'm into you
When I look into your eyes, it's over	I'm into you, yeah baby
You got me hooked with your love controller	I'm into you, I'm into you
'm tripping and I could not get over	I'm into you, yeah
