Did you (1) you could be wrong	And it hurts to be real
And swear you're right?	But it (18) to make some love
Some people (3) known to do it	That I can finally feel
All (4) lives	Hard times let me be
But you find yourself alone	I'm a good man with a good heart
Just (5) you found (6) before	Had a tough time, got a rough start
Like I found (7) in pieces	And I finally learned to let it go
On my hotel floor	Now (19) right here, and (20) right
Hard times help me to see	now
I'm a good man with a good heart	And (21) hoping, knowing somehow
Had a tough time, got a rough start	(22) my (23) (24) are
And I finally (8) to let it go	over
Now I'm right here, and I'm (9) now	My shadow (25) are over now
And (10) hoping, (11)	I'm a good man (26) a (27) heart
somehow	Had a tough time, got a rough start
That my shadow days are over	And I finally learned to let it go
My (12) days are over now	Now I'm right here, and (28) right now
Well I am not (13) trouble maker	And I'm hoping, knowing somehow
And I (14) meant her harm	That my shadow days are over
But it (15) (16) I didn't	My shadow days are over now
