

Fill in the gaps

I (1) why?, did you ever (2) t	ry?	I'm just way too choosy	
Infiltrate but never find		I'm (17) way too choosy	
Just falling slowly		Stop, drop, go through, open up the letter	
You left me so damn lonely		Don't you (18) to make it any better	
Try, stepping back to when we rhymed		Baby, don't you ever wonder why?	
Maybe recreate the times		Back up, it's not that I (19) I'm	clever
You (3) shy but happy		I just know that we could do (20)	better
And we (4) fine and dandy		Baby, don't you ever wonder why	
Here we are again, oh		I was never by your side?	
But backseat love don't (5) me		And I wonder why	
I'm just far too choosy		And I (21) why	
Stop, drop, go through, open up the letter		Wonder why and I wonder why	
Don't you want to make it any better?		Wonder why, why, why	
Baby don't you ever wonder why?		Stop, drop, go through, (22) up t	he letter
Back up, it's not that I think I'm clever		Don't you want to make it any better?	
I just know that we could do (6) better		And I wonder why	
Baby, don't you (7) wonder why		Stop, drop, go through, open up the letter	
I was never by (8) side?		Don't you want to make it any better?	
Sigh, (9) a (10) breath and re	ewind	Baby don't you ever (23) w	hy?
Bite your tongue and let it slide		Stop, drop, go through, (24) up t	he letter
Got to see a doctor		Don't you want to make it any better?	
Maybe that will (11) you		Baby don't you ever wonder why? No	
(12) don't die, no		(25) up, it's not that I think I'm cle	ever
Especially (13) it penetrate	es and	I just (26) that we could do much	n better
(14) you blind		Baby, don't you ever (27) w	/hy
And shaking mad and reckless		I was never by (28) side?	
Got you (15) breathless			
And here we go again			
The backseat love don't (16) me
