

Fill in the gaps

Hey, I see you working it
I see you strutting (1) the street
You look important huh?
I (2) the other way
I don't wanna (3) you with my sobriety
We used to (4) the summer nights
Riding our stolen bikes
But now I don't interest you
I'm like a blog from 1999
I only see you when you're walking, (5) to
somewhere
You're so restless, what can be over there?
I only see you when you're walking, walking to somewhere
You're so restles, it must be special there
And the next night I see you (6) over there
With girl number 150
Your fashion caught her eye?
Another conquest of your personality

I've tried to indicate that she (7) be someone for
me
But every weekend I see you
Walking with her quarter to three
I only see you when you're walking, walking to somewhere
You're so restless, what can be (8) there?
I only see you when you're walking, walking to somewhere
You're so restles, it must be special there
I just want to conversate with you
But you keep on talking to your phone
You're so restless, you're gonna end up alone
I only see you when you're walking, walking to somewhere
You're so restless, what can be (9) there?
I only see you when you're walking, walking to somewhere
you're so restles, it (10) be special there
