Who do you think you are?		
a super S-T-A-R?		
Who do you think you are?		
you can kiss my oh my God		
All (1) on you tonight		
So let's toast to you,		
you got so (2) to prove		
And you say, everyone's got a price		
That's how you get your way		
if not there's hell to pay		
You're gonna huff and puff		
and blow the whole house down		
Don't they know you're the king of the castle		
The nerve of some people		
To think we're all equal		
911 it's me to the rescue		
If I don't speak who's gonna tell you		
Oh yeah I gotta let you know		
I'm here to crash your party		
You think you're the (3) of the show		
But I'm about to let you know		
I'm here to crash your party		
The bigger you are the (4) you fall,		
oh you had it all		
Before I crashed your party		
Who do you think you are?		
a super S-T-A-R?		
Who do you think you are?		
you can kiss my oh my God		
(5) so misunderstood		
Cause you're so complex, you and your complex		
and you claim you're so low key		
Well you could have fooled me, Mister TMZ		
Come on show em how you huff and (6)		
and blow the whole house down		
Don't they know you're the king of the castle		
The nerve of some people		
To think we're all equal
