

| One take control of me                |                             |  |
|---------------------------------------|-----------------------------|--|
| You're messing with the enemy         |                             |  |
| (1)                                   | it's two it's another trick |  |
| Messing with my mind, I wake up       |                             |  |
| Chase (2)                             | an empty street             |  |
| Blindly snap the broken beats         |                             |  |
| (3)                                   | it's cut with a dirty trick |  |
| It's taken all these days to find you |                             |  |
| I I'll tell you I want you            |                             |  |
| I I'll tell you I need you            |                             |  |
| Friends, take control of me           |                             |  |
| Stalking cross' the gallery           |                             |  |
| All these pills got to operate        |                             |  |
| The colour quits and all invade us    |                             |  |
| There he (4)_                         | again                       |  |
| Take me to the edge again             |                             |  |
