One... take control of me
You're messing with the enemy
Said it's two... it's another trick
Messing with my mind, I wake up
Chase down an empty street
(1)_____ snap the broken beats
Said it's cut with a dirty trick
It's taken all these days to find you
I... I'll tell you I want you
I... I'll tell you I need you
Friends, take control of me
Stalking cross' the gallery
All these pills got to operate
The colour quits and all invade us
There he (2)_____ again
Take me to the edge again
