

You say that you love me

Fill in the gaps

This is the last time, you say	You won't remember in the morning
After the last line you break	You fall asleep during foreplay
t's not even a holiday	'Cause the pills you take are more your forte
Nothing to celebrate	I'm not sticking around to watch you go down
You give a hundred reasons why	Wanna be your lover
And say you're (1) gonna try	Not your fu*king mother
f I had a nickel for every time	Can't be your savior
'd own the bank	I don't have the power
Thought I was the exception	I'm not gonna stay
could re-write your addiction	And (6) you circle the drain
You could have been the greatest	Watch you circle the drain
But you'd rather get wasted	Watch you circle the drain
You fall asleep during foreplay	You fall asleep during foreplay
Cause the pills you take are more your forte	'Cause the pills you take are more your forte
(2) not sticking around to watch you go down	I'm not sticking around to watch you go down
Wanna be your lover	-I'm not sticking around-
Not your fu*king mother	Wanna be your lover
Can't be your savior	Not your fucking mother
don't have the power	Can't be your savior
'm not gonna stay	I don't (7) the power
And watch you circle the drain	I'm not gonna stay
Natch you circle the drain	And watch you circle the drain
Natch you circle the drain	Watch you circle the drain
You say you (3) to write your rhymes	Watch you circle the drain
Whatever half asleep at night	Watch you (8) the drain
You've become what you despise	(9) you circle the drain
A stereotype	You're going down
You think you're so rock and roll	(bis)
But you're (4) just a joke	You fall asleep during foreplay
Had the world in the (5) of your hand	'Cause the (10) you take are more your forte
But you fu*king choked	I'm not sticking around to watch you go down
Should have been my teammate	
Could have changed your fate
