

Fill in the gaps

This is the last time, you say	You (13) (14) in the
After the (1) line you break	morning
It's not even a holiday	You fall asleep during foreplay
Nothing to celebrate	'Cause the pills you take are (15) (16)
You give a hundred reasons why	forte
And say you're really gonna try	I'm not sticking around to watch you go down
If I had a nickel for every time	Wanna be (17) lover
I'd own the bank	Not (18) fu*king mother
Thought I was the exception	Can't be your savior
I could re-write your addiction	I don't have the power
You could (2) been the greatest	(19) not gonna stay
But you'd (3) get wasted	And (20) you circle the drain
You fall asleep during foreplay	Watch you circle the drain
Cause the pills you take are more (4) forte	Watch you circle the drain
(5) not sticking around to watch you go down	You (21) asleep during foreplay
Wanna be your lover	(22) the pills you take are more your
Not your fu*king mother	forte
Can't be (6) savior	I'm not sticking around to watch you go down
I don't have the power	-l'm not sticking around-
I'm not gonna stay	Wanna be your lover
And (7) you circle the drain	Not your fucking mother
Watch you circle the drain	Can't be your savior
Watch you circle the drain	I don't have the power
You say you have to write (8) rhymes	I'm not gonna stay
Whatever half asleep at night	And (23) you circle the drain
You've become what you despise	Watch you circle the drain
A stereotype	(24) you circle the drain
You think you're so rock and roll	Watch you circle the drain
But you're really just a joke	Watch you circle the drain
Had the (9) in the palm of (10) hand	(25) going down
But you fu*king choked	(bis)
Should (11) been my teammate	You fall asleep during foreplay
Could have changed your fate	'Cause the (26) you take are more your forte
You say that you (12) me	I'm not (27) around to watch you go
	down

1. last
