Who I am living for? by Katy Perry

Fill in the gaps

I can feel a phoenix inside of me	At the end of it all
As I march alone to a different beat	Who am I living for
Slowly swallowing down my fear	I can see the writing on the wall
I am ready for the road less traveled	I can't ignore this war
Suiting up for my crowning battle	At the end of it all
This task is my own cross to bear	Who am I living for?
But I will get there	I can see the writing on the wall
It's never easy to be chosen	I (6) ignore this war
Never easy to be caught standing on the front line	At the end of it all
When the bombs start to fall	Who am I living for?
I can see the heavens	At the end, at the end
But I still hear the flames	Who am I living for?
Calling out my name	At the end, at the end
I can see the writing on the wall	Who am I living for?
I can't (1) war	Heavy is the head that wears the crown
At the end of it all	Don't let the greatness get you down
Who am I living for?	(7) is the (8) that wears the crown
Who am I living for? I can feel this lightness inside of me	(7) is the (8) that wears the crown Don't let the (9) get you down
