Who I am living for? by Katy Perry

Fill in the gaps

I can feel a phoenix inside of me	At the end of it all
As I march alone to a different beat	Who am I living for
Slowly swallowing down my fear	I can see the writing on the wall
I am ready for the road less traveled	I can't ignore this war
Suiting up for my crowning battle	At the end of it all
This task is my own (1) to bear	Who am I living for?
But I will get there	I can see the writing on the wall
It's never easy to be chosen	I (6) ignore this war
Never easy to be (2) standing on the front	At the end of it all
line	Who am I living for?
When the bombs start to fall	At the end, at the end
I can see the heavens	Who am I living for?
But I still hear the flames	At the end, at the end
Calling out my name	Who am I living for?
I can see the writing on the wall	Heavy is the head that wears the crown
I can't ignore this war	Don't let the greatness get you down
At the end of it all	Heavy is the head (7) wears the crown
Who am I living for?	Don't let the greatness get you down
I can feel this lightness inside of me	I can see the (8) on the wall
Growing fast into a (3) of lightning	I (9) ignore this war
I know one spark will shock the world	At the end of it all
So I pray for favor like Esther	Who am I living for?
I need your strength to handle the pressure	I can see the writing on the wall
I know there will be sacrifice	I can't ignore this war?
But that's the price	At the end of it all
It's never (4) to be chosen	Who am I living for?
Never easy to be caught standing on the front line	At the end, at the end
When the bombs start to fall	Who am I living for?
I can see the heavens	At the end, at the end
But I still (5) the flames	Who am I living for?
Calling out my name	
I can see the writing on the wall	
I can't ignore this war
