

## Fill in the gaps

I dreamed I was drowning in the river Thames	I try to hold on to (14) we are
I dreamed I had nothing at all	The more I (15) the quicker we all are
Nothing but my own skin	You take the pieces of the (16)
I dreamed I was drifting on the (1) wind	(17) you have
I dreamed I had nothing at all	(18) you don't like the way (19)
Nothing but my own skin	seem to be going
Slipped away from (2) open (3) into	You cut them up and spread them out on the floor
the river	You're full of (20) as you begin rearranging
Saw (4) face (5) back at me	Put it all back together
I saw my past and I saw my future	But (21) you look at things
You take the pieces of the (6) (7)	Looks (22) the (23) are losing
you have	I dreamed I had nothing at all
(8) you don't (9) the way they	-Nothing but my own skin-
(10) to be going	I dreamed I had nothing at all
You cut them up and spread them out on the floor	You take the pieces of the dreams that you have
You're full of hope as you begin rearranging	Because you don't like the way (24) seem to be
Put it all back together	going
But anyway you look at things	You cut them up and (25) them out on the
Looks like the lovers are losing	floor
I (11) I was watching	You're full of (26) as you begin rearranging
The young lovers dance	Put it all back together
I reached out to touch (12) hand	But anyway you look at things
But I was watching (13) the distance	Looks like the lovers are losing
We cling to love like a skidding car	
Clinched to the corner
