

Watch the drunks and the lovers appear

Fill in the gaps

I'm (1) back to the time (2) we	and take time, just the stars at the Sovereign Light café
owned this town	I wheel my bike off the train
Down Powdermill Lane, in the battlegrounds	Up the (7) Trade Road
We were friends and (3) and clueless clowns	Look for you on Marley Lane
I didn't know I was finding out	In (8) building, every street sign
How I'd be torn from you	Oh why did we ever go so far from home?
When we talked about (4)	You've got nothing to hide
We were born to do	you can't change who you really are
We were wide-eyed dreamers	You can get a big house and a faster car
And wiser too	You can run away boy, but you won't go far
We'd go down to the rides on East Parade,	Let's go down to the rides on East Parade
By the lights of the Palace Arcade and	By the lights of the Palace Arcade
Watch night coming down on the Sovereign Light café	And watch night coming down on the Sovereign Light caf
I'm begging you for some sign	Stroll down to the bandstand on the pier
But you've still got nothing to say	Watch the (9) and the lovers appear
Don't turn your back on me, don't walk away	An take time, just the stars at the Sovereign Light café
I'm a better man now than I was that day	I'm going where the people know my name
Let's go down to the rides on East Parade	I'm going (10) the people know my name
By the lights of the (5) Arcade and	
Watch night coming (6) on the Sovereign Light	
afé	
Let's go down to the bandstand on the pier
