The world is changing	you'll never be alone
and time is spinning fast	Through the fire, by (7) side
t's so amazing how you came into my life	I will be there for you so I'm, don't you worry

and once (1) the story ends with you and I	heya heyeaaaah
And anytime you feel (2) you just can't go on	Hold on
ust hold on to my love	we can make it through the fire
and you'll never be alone	and my love
Hold on	I'm forever by your side
we can make it through the fire	and you know
and my love	if you should ever call my name
