You'll Never Be Alone by Anastacia

Fill in the gaps

The world is changing	you'll never be alone
and time is (1) fast	Through the fire, by your side
it's so amazing how you came into my life	I (7) be there for you so I'm, don't you worm
I know it seems all hope is gone	(and you know, I'll be there)
I know you feel you can't be strong	you'll never be a alone
and once again the story ends with you and I	heya heyeaaaah
And anytime you feel like you (2) can't go on	Hold on
just hold on to my love	we can make it through the fire
and you'll (3) be alone	and my love
Hold on	I'm forever by your side
we can make it through the fire	and you know
and my love	if you should ever call my name
I'm forever by your side	I'll be (8) there
and you know	oh baby, hold on
if you should ever call my name	Hold on
I'll be (4) there	(we can make it through the fire)
you'll (5) be alone	we can make it baby
Hopeless to describe	and my love
the way I feel for you	said I'm forever by (9) side, yeah
no matter how I try	(and you know)
words would never do	if you should ever call my name
I looked into your eyes to find	said I'll be, I'll be right there
as long as love is alive	oh, oh, ooooh
there ain't nothing we can't make it through	Hold on
Anytime, or only for a while	yeah yeah
don't worry	(we can make it through the fire)
make a wish	yeah yeah
I'll be there to see you smile	oh no
oooh	(my love)
Hold on	I know, and you know (I'm forever by your side)
we can (6) it throught the fire	yeah yeah yeah yeah yeah
and my love	(and you know)
I'm forever by your side	(if you should (10) call my name)
and you know	(I'll be right there)
if you should ever call my name	
I'll be right there
