### You'll Never Be Alone by Anastacia

The world is changing  
and time is spinning fast  
it's so amazing how you (1)\_\_\_\_\_ into my life  
I know it seems all hope is gone  
I know you feel you can't be strong  
and once (2)\_\_\_\_\_ the story ends with you and I  
And (3)\_\_\_\_\_ you feel like you just can't go on  
just (4)\_\_\_\_\_ on to my love  
and you'll never be alone  
Hold on  
we can make it through the fire  
and my love  
I'm forever by your side  
and you know  
if you should ever call my name  
I'll be right there  
you'll never be alone  
Hopeless to describe  
the way I feel for you  
no matter how I try  
words would never do  
I looked into your eyes to find  
as long as love is alive  
there ain't nothing we can't make it through  
Anytime, or only for a while  
don't worry  
make a wish  
I'll be there to see you smile  
oooh  
Hold on  
we can (5)\_\_\_\_\_ it through the fire  
and my love  
I'm forever by your side  
and you know  
if you should ever call my name  
I'll be right there
