Stronger by Kelly Clarkson

Fill in the gaps

You know the bed feels warmer	Doesn't mean I'm Ionely when I'm alone
Sleeping here alone	What doesn't kill you makes a fire
You know I dream in colour	Put that thing on lighter
And do the things I want	Doesn't mean I'm over cause you're gone
You think you got the best of me	What doesn't kill you makes you stronger, stronger
Think you had the last laugh	Just me, (6) and I
Bet you think that (1) good is gone	What doesn't kill you makes you stronger
Think you left me (2) down	Stand a little taller
Think that I'd come running back	Doesn't mean I'm lonely when I'm alone
Baby you don't know me, (3) you're devil	Thanks to you I got a new thing started
What doesn't kill you makes you stronger	Thanks to you I'm not a broken hearted
Stand a little taller	Thanks to you I'm finally thinking about me
Doesn't mean I'm lonely when I'm alone	You know in the end the day to left
What doesn't kill you makes a fire	was just my beginning
Put that thing on lighter	In the end
Doesn't mean I'm over cause you're gone	What doesn't kill you makes you stronger
What doesn't kill you makes you stronger, stronger	(7) a little taller
Just me, myself and I	Doesn't mean I'm lonely when I'm alone
What doesn't (4) you makes you stronger	What doesn't kill you makes a fire
Stand a little taller	Put that thing on lighter
Doesn't mean I'm lonely when I'm alone	Doesn't mean I'm over cause you're gone
You heard that I was starting over with someone new	(8) doesn't kill you makes you stronger, stronge
But told you I was moving on over you	Just me, myself and I
You didn't (5) that I'd come back	What doesn't kill you makes you stronger
I'd come back swinging	Stand a little taller
You try to break me	Doesn't mean I'm lonely when I'm alone
'cause you see	
What doesn't kill you makes you stronger	
Stand a little taller
