

## Fill in the gaps

You know the bed feels warmer (1) here alone You (2) I dream in colour		Doesn't mean I'm lonely when I'm alone	
		What doesn't kill you makes a fire Put that thing on lighter	
You think you got the best of me		What doesn't (7) you (8)	yo
Think you had the last laugh		stronger, stronger	
Bet you think that everything good is gone Think you left me broken down		Just me, myself and I	
		What doesn't kill you makes you stronger	
Think that I'd come running back		Stand a little taller	
Baby you don't know me, cause you're devil		Doesn't mean I'm lonely when I'm alone	
What doesn't kill you makes you stronger		Thanks to you I got a new thing started	
(3) a little taller  Doesn't mean I'm lonely when I'm alone  (4) doesn't kill you makes a fire  Put that thing on lighter		Thanks to you I'm not a broken hearted	
		(9) to you I'm finally thinking about me	
		You know in the end the day to left	
		was just my beginning	
Doesn't mean I'm over cause you're gone		In the end	
(5) doesn't kill you makes you stronger, stronger		What doesn't kill you makes you stronger	
Just me, myself and I What doesn't kill you makes you stronger Stand a little taller		Stand a little taller	
		Doesn't mean I'm lonely when I'm alone	
		What doesn't kill you makes a fire	
Doesn't mean I'm lonely when I'm alone		Put that thing on lighter	
You heard that I was (6)	over with	Doesn't mean I'm over cause you're gone	
someone new		What doesn't kill you makes you stronger, stronger	
But told you I was moving on over you		Just me, (10) and I	
You didn't think that I'd come back I'd come back swinging You try to break me		What doesn't kill you makes you stronger	
		Stand a little taller	
		Doesn't mean I'm lonely when I'm alone	
'cause you see			
What doesn't kill you makes you stronger			
Stand a little taller
