C'mon by Ke\$ha

Fill in the gaps

Saw you leaning (1) that old recor	d Come give me (16) of that
machine	Yum like a lollipop, baby, don't be scared
Saw the name of your band written on the marquee	Come on because I know what I like
It's a full moon tonight so we're getting rowdy	And you're looking just like my type
Yeah, we're getting rowdy, get, get, getting rowdy	Let's go for it just for tonight
(2) like I'm a high (3)	Oh c'mon, c'mon
Sipping on a warm wine cooler	Now don't even try to deny
Hot because the party don't stop	We're (17) going home satisfied
I'm in a (4) top	Let's go for it just for tonight
Like I'm working at Hooters	Oh c'mon, c'mon
We've been keeping it PG	I don't (18) go to sleep
But I wanna get a little frisky	I wanna stay up all night
Come give me some of that	I wanna just screw around
Yum like a lollipop, let me set you free	I don't wanna think about
Come on because I know what I like	What's gonna be after this
And you're looking just like my type	I wanna just live (19) now
Let's go for it (5) for tonight	I don't wanna go to sleep
Oh c'mon, c'mon	I wanna stay up all night
Now don't even try to deny	I wanna just (20) around
We're (6) going home satisfied	I don't (21) think about
Let's go for it just for tonight	What's gonna be after this
Oh c'mon, c'mon	I wanna just live right now
Write our names on the wall in the back of the bar	Come on (22) I (23) what I like
Steal some bubble gum from the corner meximart	And you're looking (24) (25) my type
Now we laughing like (7)	Let's go for it just for tonight
Causing (8) in the dark	Oh c'mon, c'mon
Causing trouble in the dark, trouble in the dark	Now don't even try to deny
Feeling like a sabre (9) tiger	We're both going (26) satisfied
(10) on a warm Budweiser	Let's go for it just for tonight
Touch me and (11) me that rush	Oh c'mon, c'mon
(12) pack a toothbrush	
Gonna pull an all-nighter	
We (13) it Kosher	
But I (15) get it on for sure
