

## Cameo lover by Kimbra

This is nonstop baby  
You've got me going crazy  
You're heavier than I knew  
But I don't want no other  
You're my cameo love  
Only here for a moment or two  
You stay inside that bubble  
With all of your trouble  
In your black hole  
You turn from the skies  
You (1)\_\_\_\_\_ with your demise  
I'll be here when you come home  
We've all (2)\_\_\_\_\_ break down  
Let me come and break down with you  
Because everyday's like talking in your sleep  
Love is like a silhouette in dreams  
Open up your heart  
Open up your heart  
Open up your heart and let me pull you out  
When everyday's like talking in your sleep  
Love is like a silhouette in dreams  
Open up your heart  
Open up your heart  
Open up your heart and let me (3)\_\_\_\_\_ you out of here  
I've got high hopes baby  
But all you do is take me down to depths  
That I never knew  
You've got two arms baby  
They're all tangled in ladies  
of the (4)\_\_\_\_\_ skies posing blue  
Let go of your mother

## Fill in the gaps

And (5)\_\_\_\_\_ to your brother  
Not a long gone lover's noose  
Sometimes baby the hardest part of breaking  
is leaving pieces behind you  
Oh we've all gotta get by  
Let me (6)\_\_\_\_\_ and hold you high, with you  
When everyday's like talking in your sleep  
Love is like a silhouette in dreams  
Open up your heart  
Open up your heart  
Open up your heart and let me pull you out  
When everyday's like talking in your sleep  
Love is like a silhouette in dreams  
Open up your heart  
Open up your heart  
Open up your heart and let me pull you out of here  
Open up your (7)\_\_\_\_\_ to me  
The sun won't (8)\_\_\_\_\_ if you're not looking  
-Baby (9)\_\_\_\_\_ is all that you need-  
When everyday's like talking in your sleep  
Love is like a silhouette in dreams  
Open up (10)\_\_\_\_\_ heart, open, open, open  
When everyday's like talking in your sleep  
Love is like a silhouette in dreams  
Open up your heart  
Open up your heart  
Open up your heart and let me pull you out  
Open up your heart  
(bis x5)

Answer

1. dance
