

Two way street by Kimbra

I feel the 4 become 5

And I'm waiting, waiting, waiting For you to (1)_____ down the boulevard And to take me, take me, take me But the moment you appear You wake me, wake me, wake me Out of the slumbers of my head From the slums of loneliness And there's no conspiracy Behind the way two hearts meet When love is a two way street -Love is a two way street-And I think I'm ready To let you get (2)_ __ my skin I can't make you fall for me -Love is a two way street-We're coming close to our fame They'll put a star beside our names

Fill in the gaps

And I couldn't care for the history
When I've got you in front of me
And the cars could all collide
The shards of glass won't catch my eye
Because you're almost by my side
We're counting (3) at the green ligh
And there's no conspiracy
Behind the way two hearts meet
(4) love is a two way street
-Love is a two way street-
And I think I'm ready
To let you get (5) my skin
I can't make you fall for me
-Love is a two way street-
(6) is a two way street
Love is a two way street
