

Ok, I get it

Fill in the gaps

Hey baby, Mrs Cold		Ok, I see
(1) so tough		You were fronting because you knew
Didn't (2) you had it in		You'd find yourself vulnerable around me
To be hurt at all		Ok, I get it
You (3) too long		Ok, I see
You should (4) hooked me		I (8) too close to your boundaries
(5) I put my (6)	on	You wanted nobody around to see
Ok, I get it		You feel vulnerable around me
Ok, I see		Hey baby
You were fronting because you knew		What is love?
You'd find yourself vulnerable around me		And (9) is just a game?
Ok, I get it		We're both playing
Ok, I see		And we can't get enough of
You (7) vulnerable around me		We're (10) playing
Hey baby, what's going on?		And we can't get enough of
You lost control and you lost your tongue		We're both playing
You lost me, deafened my ear		And we can't get enough of
Nothing you can say		
Is going to change the way I feel
