## Swept Away by Christopher Cross

## Fill in the gaps

I (1)	had anything (2)	so fast	Without a warning
Took one look and I shattered like glass			Like night when the morning begins the day
I guess I let it show			I was swept away
Cause your smile told me you knew			Away, seeing my tomorrow's in your eyes
That you're everything I ever wanted at once			I was swept away
There's no holding this heart			Oo, I hope I wake up soon
When it (3)	what it wants		Oo, I'm a victim of (6) crazy moon
And I never wanted anything more than to know you			The very first time you said my name
I was swept away	1		I (7) it (8) never sound the same
No one in the (4)	but you and I		Something about me has changed forever
Gotta find a way			Can't you see I am swept away
To make you feel the way that I do			No one in the world but you and I
I was swept away	1		Gotta find a way
Without a warning	9		To make you feel the way that I do
Like night when the morning begins the day			I am swept away
I was swept away	1		Without a warning
And so it begins			Like night when the morning begins the day
This journey of love			I was swept away
The summer wind carries us to places all our own			Away, seeing my tomorrow's in your eyes
The words of a lo	ok		Gotta (9) a way
The language of t	touch		To make you feel the way that I do
The way that you	(5) me means so muc	h	I was swept away
And I never wanted anything more			Without a warning
Than to love you			Like night when the morning begins the day
I am swept away			I was swept away
No one in the world but you and I			We were swept away
Gotta find a way			Dreaming of you
To make you feel the way that I do			Swept away
I am swept away
