

## Fill in the gaps

I found a stare for your wide eyes
And falls (1) to shut them tight
To think I thought I could (2) lie
To think I made you cry
Couldn't let you cover my bones with kisses
Couldn't love you desperately
See this one-shot shatters the glass
Then misses and you stand reflected in me
Don't let me darken the nights you sleep
Don't let me into the (3) you keep
See you owe no sympathy to me
A (4) weight for you open palm
And a white shirt over your (5) heart
To (6) I thought I was all you are
I was missing from the start
Couldn't let you cradle my head or stay

Let you waste your wonderful words	
In my sleep I circled your heart with red ink	
When I (7) you were already hurt	t
Don't let me darken the nights you sleep	
Don't let me into the (8)	you keep
See you owe no sympathy to me	
Let it fall down with the rain	
Let it fall down	
Let it fall (9) with the rain	
Let it fall down	
Don't let me darken the nights you sleep	
Don't let me into the thoughts you keep	
See you owe no sympathy to me
