

Fill in the gaps

Baby you need to leave	We'll be the broken lovers with the poison cup
Because I'm getting drunk on your noble deeds	And we'll draw in breaths like we don't have air
It doesn't matter that they don't get done	Oh God, look at me, don't you even care
When I (1) this cold they're like the	That I'm dying in the (5) underneath the
(2) sun	stairs?
Baby I need a friend	Steps (6) on above my head
But I'm a vampire smile	Baby you're cruel to me
You'll meet a sticky end	But you see I love it (7) you make me plead
I'm here trying not to bite your neck	I want a scar that looks just like you
But it's beautiful and I'm gonna get	Till (8) I gotta learn to be a wiser fool
So drunk on you and kill (3) friends	Baby you need to leave
You'll need me and we can be obsessed	And I (9) you know
And I can touch your hair and taste your skin	That's why you keep ignoring me
The ghosts won't matter	Because if you don't
Because we'll hide in sin	Gonna run me down, let myself go
Baby you have a choice	
(4) you burn my ears with your magic	
voice	
I'm a paper doll, you can tear me up
