Chelsea Hotel No 2 by Lana del Rey

I (1) you (2) in the Chelsea	But for me you would make an exception
Hotel	And clenching your fist for the ones like us
You were talking so brave and so sweet	Who are oppressed by the figures of beauty
Giving me head on the unmade bed	You fixed yourself, you said
While the limousines (3) in the street	"Well never mind, we are ugly but we have the music"
Those were the reasons and that was New York	And you got away, didn't you baby?
We were (4) for the money and the flesh	You just turned your back on the crowd
And that was called love	And you got away, I never once heard you say
For the (5) in song	I need you, I don't need you
Probably still is for (6) of them left	I need you, I don't need you
Ah, but you got away, didn't you baby?	And all of that jiving around
You (7) turned (8) back on the crowd	I don't mean to suggest that I loved you the best
You got away, I never once heard you say	I can't keep track of each fallen robin
I need you, I don't need you	I remember you well in the Chelsea Hotel
I need you, I don't need you	That's all, I don't even (10) of you that often
And all of that jiving around	
I remember you (9) in the Chelsea Hotel	
You were famous, your heart was a legend
