And the forests will echo with laughter

Fill in the gaps

Stairway To Heaven by Led Zeppelin

There's a lady who's sure all that glitters is gold	If there's a bustle in your hedgerow, don't be alarmed now
And she's buying a stairway to heaven	It's just a spring clean for the May queen
When she gets (1) she knows, if the stores are	Yes, there are two paths you can go by, but in the long run
all closed	There's still time to change the road you're on
With a word she can get what she came for	And it makes me wonder
Ooh ooh, and she's (2) a stairway to heaven	Your head is humming and it won't go, in case you don't know
There's a sign on the wall, but she wants to be sure	The piper's calling you to join him
'Cause you know sometimes words have two meanings	Dear lady, can you (9) the wind blow, and did you
In a (3) by the brook, there's a songbird who sings	know
Sometimes all of our thoughts are misgiven	Your stairway lies on the whispering wind
Ooh, it makes me wonder	And as we wind on down the road
Ooh, it makes me wonder	Our shadows taller than our soul
There's a feeling I get when I look to the west	There walks a lady we all know
And my spirit is crying for leaving	Who shines white light and wants to show
In my thoughts I have (4) rings of (5)	How everything still turns to gold
through the trees	And if you listen very hard
And the (6) of those who stand looking	The tune will come to you at last
Ooh, it (7) me wonder	When all are one and one is all
Ooh, it really makes me wonder	To be a rock and not to roll
And it's whispered that soon if we all call the tune	And she's buying a stairway to heaven
Then the piper (8) lead us to reason	
And a new day will dawn for those who stand long
