Wanted you more by Lady Antebellum

Fill in the gaps

I kept waiting on a reason In a call that never came No I never saw it coming Something in you must have changed All the words unspoken, promises broken I cried for so long, wasted too much time Should have seen the signs Now I know just what went wrong I guess I (1)_____ you more _____ back now I'm sure And (2)_ I wanted you more _____ you more I guess I (3)___ All the nights we spend just talking All the things we wanted out of life Making plans and dreams together I (4)_____ I'd seen, I was (5)____

My heart was open, exposed and hoping for you

To lay it on the line	
In the end, it seemed there was no room for me	
(6) I tried to change (7) mind	d
I guess I wanted you more	
And looking back now I'm sure	
I wanted you more	
I guess I wanted you more	
Oh, I don't need you	
I don't need you anymore	
I guess I wanted you more	
And looking back now I'm sure	
I wanted you more	
I (8) I (9) you more	
I don't need you,	
I don't need you anymore
