## Dancin' away with my heart by Lady Antebellum

I (1) asked you to dance
On the last slow song
And beneath the moon (2) was really a disco ball
I can still feel my head on your shoulder
And hoping that song would (3) be over
I haven't seen you in ages
(4) I find myself wondering where you are
For me you'll always be 18
And beautiful and dancing away with my heart
I brushed your curls back so I (5) see your eyes
And the way you moved me
Was like you were readingin my mind
I can still feel you lean into kiss me
I can't help but wonder
Tourt holp but worldon
If you ever miss me
If you ever miss me
If you ever miss me I haven't seen you in ages
If you ever miss me I haven't seen you in ages  (6) I (7) (8) wondering where you are
