

You see me unraveling
I (1) the difference this time
You pull me in, you (2) me out
I'm deserving
Don't matter what you do wrong
I put your (3) before mine
It doesn't really matter what (4) say
It doesn't really matter what they say
So take what you want from me
Take what you want from me
Take what you want (5) me
And I'll give you all my love
I'll give you everything
Just take what I don't need
I know I've made some mistakes
But I'll be different, you'll see
I'll give in, tell me how
I keep falling

I'm sleeping under a wave of gold

Fill in the gaps

So, can I sleep?
It doesn't really matter what they say
So take what you (6) from me
Take what you want from me
Take what you want from me
And I'll give you all my love
I'll give you everything
Just take what I don't need
So you want to talk about this way you want to go
And I don't (7) to think about losing you
To know how it feels, how it feels
So take what you want from me
Take what you want from me
(8) what you want from me
And I'll (9) you all my love
I'll give you everything
Just take what I don't need
