

## Fill in the gaps

You see me unraveling	So, can I sleep?
I know the difference (1) time	It doesn't (11) (12)
You pull me in, you pull me out	(13) they say
I'm deserving	So take (14) you want from me
Don't matter what you do wrong	(15) what you want from me
I put (2) (3) before mine	Take what you (16) from me
It doesn't (4) matter what (5) say	And I'll (17) you all my love
It doesn't really matter what they say	I'll give you everything
So take what you (6) from me	Just take (18) I don't need
Take what you want from me	So you (19) to talk about this way you
Take (7) you want from me	(20) to go
And I'll give you all my love	And I don't need to think about losing you
I'll give you everything	To know how it feels, how it feels
Just take what I don't need	So take what you want from me
I (8) I've (9) some mistakes	Take what you want from me
But I'll be different, you'll see	Take what you want from me
I'll give in, tell me how	And I'll give you all my love
I (10) falling	I'll give you everything
I'm sleeping under a wave of gold	(21) (22) (23) I don't need
