She's so gone by Lemonade Mouth

Insecure in a skin	You won't run her around
Like a puppet, a girl on a string	You can look but you won't see
Broke away, (1) to fly	The girl I used to be (12) she's
If you want her (2) gotta let her shine	She's so (13) away
So it looks like the joke's on you	Like kiss the rain
(3) the girl (4) you	She's so gone
(5) you knew	Baby, this is me, yeah
She's so gone	She's so gone
That's so over now	That's so over now
She's so gone	She's so gone
You won't run her around	You won't run her around
You can look but you won't see	You can look but you won't see
The girl I used to be (6) she's	The (14) I used to be because she's
She's so gone	She's so gone
Here I am	She's so gone
This is me	You can (15) but you won't see
And I'm stronger than you ever thought I'd be	The (16) I (17) to be
Are you shocked? Are you mad?	(18) she's
(7) you're missing out on who I (8)	She's so gone
am	So alone
Now it (9) like the joke's on you	She's so gone, gone, gone, gone
Because the girl (10) you thought you knew	
She's so gone	
That's so (11) now	
She's so gone
