

## Fill in the gaps

I'm sitting down here, but hey, you can't see me	But you should be aware
Your words cut rather deeply	But I've learned to get revenge
They're just some (1) lies	And I swear you'll experience that someday
I'm hiding from a distance	I'm sitting (12) here, but hey, you can't see me
I've got to pay the price	Kind of invisible, you don't sense my stay
(2) all against it	Not (13) hiding, not like a shadow
I really don't know why	Just thought I would join you for one day
You're (3) with all my secrets	I'm (14) down here, but hey, you can't see
You always make me cry	me
You seem to want to (4) me	Kind of invisible, you don't sense my stay
No matter what I do	Not really hiding, not like a shadow
I'm (5) just a couple	Just thought I (15) join you for one day
But somehow it gets to you	You (16) to want to (17) me
But I've learned to get (6)	No matter what I do
And I (7) you'll experience that someday	l'm (18) a couple
I'm sitting down here, but hey, you can't see me	But somehow it gets to you
Kind of invisible, you don't sense my stay	But I've learned to get (20)
Not really hiding, not like a shadow	And I (21) you'll (22)
Just (8) I would join you for one day	that someday
I'm (9) down here but hey, you can't see	I'm sitting down here, but hey, you can't see me
me	Kind of invisible, you don't (23) my stay
I'm not trying to avoid you	Not really hiding, not like a shadow
Just don't wanna hear your voice	Just thought I (24) join you for one day
When you (10) me up so often	I'm (25) down here, but hey, you can't see
I don't really have a choice	me
You're talking like you know me	Kind of invisible, you don't sense my stay
And wanna be my friend	Not really hiding, not like a shadow
But that's really too late now	Just thought I would (26) you for one day
I won't try it once again	I'm sitting down here, but hey, you can't see me
You may think that I'm a loser	Kind of invisible, you don't sense my stay
That I don't really care	Not really hiding, not like a shadow
You may (11) that it's forgotten	Just (27) I would (28) you for
	one day
