

Fill in the gaps

In my secret life	(11) the night
In my secret life	Moving cross the borders
In my secret life	Of my secret life
I saw you (1) morning	Looked through the paper
You were (2) so fast	Makes you want to cry
Can't seem to (3) my grip on the past	(13) or die
And I miss you so much	And the (15) (16) you thinking
And there's no one in sight	That it's either black or white
And we're still making love	Thank God it's not (17) simple
In my secret life	In my (18) life
In my secret life	I bite my lip
I smile when I'm angry	And I buy (19) I'm told
I (4) and I lie	From the latest hit
I do what I have to do to get by	To the (20) of old
But I (5) what is wrong	But I'm always alone
And I (6) is right	And my (21) is like ice
And I'd die for the truth	And it's (22) and cold
In my (8) life	In my secret life
In my secret life	In my (23) life
Hold on, hold on, my brother	In my secret life
My sister, (9) on tight	
I finally got my orders	
I'll be (10) through the morning
