

## Fill in the gaps

I never meant to wither	And wipe the mark of madness from my face
I wanted to be tall	Show me that your love will never change
Like a fool left the river	If my yesterday is a disgrace
And (1) my branches fall	(5) me that you still recall my name
Old and thirsty I longed	Oh, here in the shadow, here I am
For the flood to come back around	And I need someone by my side
To the cactus in the valley	It becomes so hard to stand
That's about to crumble down	And I keep trying to dry my eyes
And wipe the mark of sadness from my face	Come and find me in the valley
Show me (2) your love (3) never	And wipe the mark of (6) from my face
change	Show me that your love will never change
If my yesterday is a disgrace	If my (7) is a disgrace
Tell me that you still recall my name	Tell me that you still recall my name
So, the storm finally found me	And wipe the (8) of madness from my face
And left me in the dark	Show me that your love will never change
In the cloud around me	If my yesterday is a disgrace
I don't know where you are	(9) me that you (10) recall my name
If this whole world goes up in arms	
All I can do is stand	
And I won't (4) for anyone	
Until you move my hand
