

Fill in the gaps

It's five o'clock in the morning	Are you mine? are you mine?
Conversation got boring	Because I stay (15) all the time
You (1) you're going to bed soon	(16) telly, drinking wine
So I snuck off to your bedroom	Who'd have known? who'd have known?
And I (2) I'd (3) (4)	When you flash up on my phone
there	I no longer feel alone
Until I heard you come up the stairs	Let's just stay, let's just stay
And I pretended I was sleeping	I wanna lay in bed all day
I was hoping you would creep in with me	We'll be laughing all the way
Put your arm around my shoulder	Told your friends, they all know
It was good, till it got colder	We exist, but we're taking it slow
And we moved closer in, together	Let's (17) see how it goes
And started talking about the weather	Now, let's see how it goes
Said tomorrow would be fine	En el cartel del vídeo:
And we could watch a place in the sun	-I (18) you to know that I have fallen deeply
I didn't (5) where this was going	in love with Lily-
When you kissed me	Are you mine? are you mine?
Are you mine? are you mine?	(19) I stay here all the time
Because I stay here all the time	Watching telly, drinking wine
(6) telly, drinking wine	Who'd have known? who'd have known?
Who'd (7) known? who'd have known?	When you (20) up on my phone
(8) you flash up on my phone	I no longer feel alone
I no (9) feel alone	Let's just stay, let's (21) stay
No longer feel alone	I wanna lay in bed all day
Haven't left you for days now	We'll be laughing all the way
And I'm becoming (10) how	Told (22) friends, they all know
You're (11) affectionate in public	We exist, but we're taking it slow
In fact, your friend said it (12) her feel sick	Let's just see how it goes
And (13) now it's moving forward	Now, let's see how it goes
It's just the right (14) of awkward	
And today, you accidentally called me baby
