

## Fill in the gaps

vait till you're announced	But it wasn't my fault
We've not yet lost all our graces	And everyone's competing
The hounds will (1) in chains	For a (17) they won't receive
(2) (3) your greatness	Because what this palace wants is release
And she'll send the call out	We live in cities you'll (18) see on-screen
Send the call out, send the call out	Not very pretty
Call all the ladies out	But we (19) know how to run things
They're in (4) finery	Living in ruins of a palace (20) my dreams
A hundred jewels on throats	And you know we're on each other's team
A (5) jewels between teeth	I'm kind of over
Now (6) my (7) in	Getting told to throw my hands up in the air
Their skin in craters like the moon	So there
The (8) we love (9) a brother	I'm kind of older than I was
While he glows through the room	When I reveled without a care
Dancing (10) the lies we tell	So there
Dancing around big eyes as well	We live in cities you'll never see on screen
Even the comatose, (11) don't dance and tell	Not very pretty
We live in cities you'll never see on-screen	But we sure know how to run things
Not very pretty	(21) in ruins of a palace within my dreams
But we sure know how to run things	And you (22) we're on (23) other's
Living in ruins of a palace within my dreams	team
And you (12) we're on each other's team	We're on each other's team
I'm kind of over	And you (24) we're on (25) other's
Getting (13) to throw my (14) up in	team
he air	We're on (26) other's team
So there	And you know, and you know, and you know
So all the cups got broke	
(15) (16) our feet
