

Fill in the gaps

Wait till you're announced
We've not yet lost all our graces
The hounds (1) (2) in chains
Look upon your greatness
And she'll send the call out
Send the call out, send the call out
Call all the ladies out
They're in their finery
A hundred jewels on throats
A hundred jewels between teeth
Now bring my boys in
Their skin in craters like the moon
The moon we (3) like a brother
While he glows through the room
Dancing around the lies we tell
Dancing around big eyes as well
(4) the comatose, they don't dance and tell
We live in cities you'll never see on-screen
Not very pretty
But we sure know how to run things
Living in ruins of a palace within my dreams
And you know we're on (5) other's team
I'm (6) of over
(7) (8) to throw my hands up in
the air
So there
So all the cups got broke
Shards beneath our feet

But it wasn't my fault And everyone's competing For a love they won't receive Because what this palace wants is release We live in cities you'll never see on-screen Not very pretty But we (9)_____ know how to run things Living in ruins of a palace within my dreams And you know we're on each other's team I'm kind of over Getting told to throw my hands up in the air So there I'm kind of older than I was When I reveled without a care So there We live in cities you'll never see on screen Not very pretty But we sure know how to run things Living in ruins of a palace within my dreams And you know we're on each other's team We're on each other's team And you know we're on each other's team We're on each other's team And you know, and you know, and you know
