

Fill in the gaps

Ah (1) talk to me	the bugles blown as one
Won't you please come talk to me	You lie there with (16) eyeshalf closed
Just like it used to be	like there's no-one there at all
Come on, come (2) to me	There's a tension pulling on your face
Come on, come (3) to me	Come on, (17) talk to me
The wretched (4) takes its form,	Ah please talk to me
the jackal (5) and tight	Won't you please come (18) to me
In search of you, I feel my way,	Just like it (19) to be
though the slowest heaving night	Come on, come talk to me
Whatever fear invents, I	Come on, come talk to me
I swear it make no sense	Don't you ever change your mind
I reach through the border fence	Now your future's so defined
Come down, (6) talk to me	And you act so (20) and blind
In the swirling, curling storm	(And you act so deaf so blind)
of desire unuttered words (7) fast	Come on, come talk to me
With (8) tongue,	Come talk to me
the (9) lashes (10)	Come talk to me
built to last	Come talk to me
Darkness creeps in like a thief	I can (21) the moment
and (11) no relief	Breaking out through the silence
Why are you shaking like a leaf	All the (22) that we both might say
Come on, come talk to me	And the heart it will not be denied
Ah please talk to me	'Til we're both on the same damn side
Won't you please come talk to me	All the (23) blown away
We can (12) this misery	I said (24) talk to me
Come on, (13) talk to me	Won't you please come talk to me
[Chorus 1:]	Just like it used to be
I did not come to steal	Come on, (25) talk to me
This all is so unreal	I did not come to steal
Can't you show me how you feel now	This all is so unreal
Come on, come talk to me	Can you show me how you feel now
Come talk to me	Come on, (26) talk to me
Come (14) to me	Come (27) to me
The earthly power sucks	Come talk to me
shadowed milk from sleepy tears undone	
From (15) skin as smooth as silk
