I didn't want to love	Wasted all my time and love on you
I was happy on my own	When times were rough
Wish I never had a taste of your sweet song	You used me up
I was rolling (1) a stone	Wasted love on you
Taking any road	All along I knew something was not right
There was something in the way	But I was hoping I could change your mind
You stopped me cold	All along no matter how I (8) and tried
All the (2) words you said	You kept taking, taking
Slipped through my fingers just like sand	Taking every (9) I had inside
(3) since that sorry day you took my hand	Wasted love
Wasted love	Wasted love
Wasted love	Wasted all my time and all my love on you
Wasted all my time and all my love on you	When times were rough
When times were rough	You used me up
You (4) me up	Wasted love
Wasted love on you	Wasted love
Did you ever really see?	Wasted love
Was it ever really me?	Wasted all my time and all my (10) on you
Why did you keep me in a cage?	When times were rough
You should've set me free	You used me up
Because (5) single time you lied	Wasted love on you
Felt like a (6) in my pride	I wasted all my love on you
And if you had a heart now I know it wasn't mine	Wasted all my love on you
Wasted love
