

Fill in the gaps

I didn't want to love		Wasted all my time and love on you	
I was happy on my own		When times were rough	
Wish I never had a taste of your sweet song		You used me up	
I was (1)	(2) a stone	Wasted love on you	
Taking any road		All along I knew something was not right	
There was something in the way		But I was hoping I could change your mind	
You stopped me cold		All along no matter how I tried and tried	
All the pretty words you said		You kept taking, taking	
(3)	through my fingers just like sand	(8)	_ every breath I had inside
Ever (4)	that sorry day you took my hand	Wasted love	
Wasted love		Wasted love	
Wasted love		Wasted all my time and all my love on you	
Wasted all my time and all my love on you		When times were rough	
When times (5) rough		You used me up	
You used me up		Wasted love	
Wasted love on you		Wasted love	
Did you ever really see?		Wasted love	
Was it ever really me?		Wasted all my time and all my love on you	
Why did you keep me in a cage?		When (9) were rough	
You should've set me free		You used me up	
Because every single time you lied		Wasted love on you	
Felt like a splinter in my pride		I wasted all my love on you	
And if you had a	(6) now I (7) it	Wasted all my (10	0) on you
wasn't mine
