

## Fill in the gaps

Some say when (1) race	Because (15) they'll try to break you break
There's no saving grace	you
Tho' cruel fate	But baby I won't let (16) take you (17)
I'll (2) (3) because nothing can sway	you away
(4) maybe they'll change you change you	Take you away
But don't let, don't let (5) lead you (6)	Someday maybe they'll change you (18) you
you astray	But don't let don't let them (19) you lead you astray
Stay young, stay young	Stay young, stay young
(7) someday they'll try to break you break	Because someday they'll try to break you break you
you	But baby I won't let them (20) you take you away
But baby I won't let them (8) you take you away	Take you away
Take you away	And someday they'll try to change you change you
We might (9) and (10) chase	But (21) I won't let them (22) you
But (11) lies a place	(23) you astray
Where all hopes and all saints	Stay young
Collide (12) to face	Because (24) they'll try to
Someday maybe they'll change you change you	(25) you break you
But don't let don't let them (13) you lead you	But baby I won't let (26) take you take you
astray	(27)
Stay young, (14) love	Take you away
