

Someday by LP

Some say when hearts race
There's no saving grace
Tho' cruel fate
I'll just wait because nothing can sway
Someday maybe they'll change you change you
But don't let, don't let them lead you lead you astray
Stay young, stay young
Because someday they'll try to break you break you
But baby I won't let them take you take you away
Take you away
We might (1)_____ and time (2)_____
But there lies a place
Where all hopes and all saints
Collide face to face
Someday maybe they'll change you change you
But don't let don't let them lead you lead you astray
Stay young, make love
